Location

Lisbon, Portugal

Date of Birth

May 24, 2007 (19 years old)

SKILLS

Low-Level & Systems

- C / C++
- x86 Assembly
- RISC-V 32

Web Development

- JavaScript / React
- HTML / CSS
- PHP

General & Data

- Python
- Java
- SQL

LANGUAGES

Portuguese	*Native*
English	*Fluent*
Spanish	*Basic*
French	*Basic*

OTHER

Driver's License

Category B (Light Vehicles)

2nd-year Computer Science and Engineering student at Instituto Superior Técnico (IST), maintaining an excellent academic record. I have a deep fascination for computer architecture, operating systems, and *low-level* programming. I am a dynamic individual, highly accustomed to teamwork through years of sports, and always eager to embrace new technical and personal challenges.

Education

BSc in Computer Science and Engineering — 2025 — Present

Instituto Superior Técnico (IST), University of Lisbon

> **Current Grade Average:** 17.45 / 20
> **Expected Graduation:** End of 2026/2027 academic year

Experience & Activities

Cybersecurity Core Member — Present

Security Team Técnico (STT) - IST

Part of the university's cybersecurity team, focusing on vulnerability exploitation, system analysis, and sharing knowledge within the information security field.

Volunteer — November 2025

Web Summit 2025, Lisbon

Assisted in the organization and logistics of one of the world's largest technology events, networking with industry professionals and further developing *soft skills*.

Additional Education

- **CS50: Introduction to Computer Science** – Online course by Harvard University, featuring a strong emphasis on C, Python, and data structures.
- **Estrelas do Futuro** – Educational program attended in Coimbra, Portugal.
